2009

Pearl Award

Recognizing the finest in print design

CALL FOR ENTRIES

*Does your passion for print border on the obsessive?
Are you a connoisseur of fine paper? A freak over fonts?
Actually enjoy the smell of fresh ink on paper?*

CTI Paper USA recognizes that it's this type of passion that brings our beautiful papers to life. A passion that shines through on even the most routine design projects, to radiate messages of glamour, luxury, vitality and spunk.

We would like to honor the designers who use their passion and talent to cultivate a design concept into print perfection. A thing of beauty. A pearl.

We invite you to send us your finest work designed on our papers. Winners will be awarded for their design brilliance with a cash prize and custom award. Select entries will also be featured in our online design gallery throughout the year.

Cash prizes for winners.
